Greetings Archers!

As I sit here and type this letter, school is winding down and it's time to begin thinking about summer activities . . . and we'd like you to consider Centershot.

Centershot is an eight-week outreach ministry that brings families together to study God's Word, while learning the life-skill of target archery. The benefits of Centershot are many . . . it is not only a way to learn the skill of archery, but it also helps you connect with other people in your community. And Centershot also focuses on "*Making Christ the Target of Your Life.*" So, each week, we conclude our evening with a snack as well as a study of God's Word.

If you have questions, please contact me at the Zanesville Community Church of God at 260-638-4239 or email me at pastor@zanesville.cggc.org
